Andrea Lanaro, CEO of OLEV
Andrea

Creare emozioni con la luce
è una delle cose
che più mi emoziona.

Creating emotions with light
it's one of the things
which thrills me the most.

OLEV: L'EVOLUZIONE DELLA LUCE

OLEV: THE EVOLUTION OF LIGHT

FACCIAMO TUTTO A MANO, IN ITALIA,
DA SEMPRE.
HANDMADE IN ITALY, EVER SINCE.

Nasce l'azienda a conduzione familiare. Si producono lampadari in ferro battuto a mano.

Foundation of the company. Handcrafted wrought iron chandeliers are produced.

Arrivano i primi LED sul mercato e OLEV cambia direzione: inizia a produrre lampade di design dalle forme originali.

With LED revolution, OLEV become an industrial company based on production of designer lamps with unusual shapes

OLEV si evolve e crea lampade innovative in grado di imitare la luce del Sole, di assorbire i rumori, di purificare l'aria.

OLEV starts producing innovative lamps that reproduce the sunlight, absorb sounds, and purify the air.

La casa passiva Biosphera (il progetto di ricerca italiano più innovativo nel campo del comfort abitativo) illuminata da OLEV vince l'Energy Globe Award.

The Biosphera passive house (the most innovative Italian research on living comfort) illuminated by OLEV smart lamps, receives the Energy Globe Award.

Le lampade di OLEV vengono scelte per illuminare gli uffici dell'headquarter di Mercedes-Benz a Berlino e l'edificio del Ministero delle Finanze di Abu Dhabi.

OLEV lamps illuminate the Mercedes-Benz offices in Berlin, the Ministry of Finance building in Abu Dhabi.

La lampada Ottomano di OLEV vince la menzione d'onore agli European Product Design Award.

OLEV's Ottomano lamp win the honorable mention at the European Product Design Awards.

OLEV vince il prestigioso titolo italiano Altagamma Design Awards.

OLEV win the Italian Altagamma Design Award.
